Circular no/ref no: ACAD\ESY\LV1\REV\DEC\2020.

Date: December 06 2020

REVISED/RATIONALISED CURRICULUM FOR YEAR 2020-2021

In continuation with circular number: ACAD\ESY\LV1\REV\SEP\2020. The board has also decided to reduce the syllabus by approximately 35% due to the pandemic, keeping in view the problems of candidates.

The deduction made in the syllabus is only for the self learning purpose. The part deducted will not be part of any examination henceforth.

This is a timely measure i.e. only for the academic year 2020-2021.

Below the 'annexure A' contains all the part which is rationalized and the part which is mentioned in it should be deleted from the original curriculum issued by board previously. The original syllabus can be viewed on <https://bocams-it.ml/inner%20pages/curriculum21.html?i=1>

The practicals deducted will not be conducted. And if they are conducted they should not be scored.

There may be change in the prescribed marks of units due to rationalization and the candidates shall prepare accordingly.

The theory examination scheduled in November will be conducted by mid January as per the new revised curriculum and scheme of Examination.
